

Project Profile

FUMC Frisco | Frisco, TX

SRG Roofing is pleased to announce the successful completion of its roofing project on the First United Methodist Church located in Frisco, Texas. SRG Roofing was contracted to furnish and install the single ply TPO membrane, architectural shingles and standing seam metal roofing for this project. SRG Roofing also coordinated the removal and reinstall of the existing roof mounted lightning protection system. SRG Roofing installed 30,000 square feet of .60mil single ply TPO roofing membrane and 17,400 square feet of shingles manufactured by GAF. SRG Roofing is a GAF Master Roofing Contractor for shingle and single ply membranes and is able to provide clients with up to 20 year Diamond Pledge (NDL) guarantees that cover both labor and material defects.
