

Project Profile

Ridge Railhead – Phase I | Fort Worth, TX

SRG Roofing is pleased to announce the successful completion of its TPO roofing project on Ridge Railhead – Phase I located in Fort Worth, Texas. SRG Roofing was contracted to furnish and install the single ply TPO roofing membrane on this big box new construction project. SRG Roofing installed 299,700 square feet of Everguard .60mil single ply TPO roofing membrane manufactured by GAF on this ¼ mile long building. SRG Roofing is a GAF Master Roofing Contractor for single ply membranes and is able to provide clients with up to 20 year Diamond Pledge (NDL) guarantees that cover both labor and material defects. If you have a similar project and would like for SRG Roofing to provide you with a quote, please visit www.srgroofing.com or call us 855.860.3732.
