

ABOUT SRG ROOFING

Founded in 2006 for the purpose of providing commercial, industrial and multifamily roofing services. We have grown into a nationwide company through our dedicated team of roofing experts and personal relationships with our clients.

We believe that developing trusted partnerships with our clients, providing cost effective, environmentally friendly and top of the line roofing systems, competitive pricing and quality workmanship is key to completing your roofing project. In addition, we back our work with extended warranties. Our expertise and industry reputation gives us the ability to provide 10, 15 and 20-year manufacturer NDL (no dollar limit) warranties to our clients.
